

# **Lead Pastor Ministry Opportunity**

## *Southridge Community Church*

*We commit to becoming a people who  
love Jesus as Spirit empowered,  
set free daughters and sons of God.*

We are in search of someone led by God to serve as the Lead Pastor at Southridge Community Church (SCC). Our church is a part of the Western Canadian District of the Christian and Missionary Alliance in Canada. We are located in the border city of Lloydminster, Alberta which is 2.5 hours east of Edmonton and 2.5 hours west of Saskatoon. The latest census indicates a population of just over 35,000 with approximately two thirds living in Alberta and one third living in Saskatchewan.

The average Sunday morning attendance at Southridge is 100. Our congregational is multigenerational with strong programming for children and youth. We have a strong relationship component to our ministry, and we are looking for that to continue and to grow. Our greatest desire is to operate as a church clearly led by God, Jesus, and the Holy Spirit.

SCC has been growing in congregational size and in volunteer base. SCC has been striving to be a church that reaches and services our community. We have made significant advancements in this area and want a Lead Pastor who is Holy Spirit led and has a heart for service in the community and reaching the unreached.
