You will also note the different ways to access help at the bottom of the page should you have trouble with your sound, video, or voting access. This service is available for the entire event.

For those who are in watch parties with others in the same room:

One of you will have to choose to host the event with your link for watching. Once you are in the conference area, click join to enter the conference:

Once you are in the zoom room, maximize the screen \mathcal{L}^{a} for viewing. Please ensure all other devices' sound / microphones are turned off to ensure there is no echo in the room.

For all voting members in the room, you can log into <u>https://www.dotsconnect.live/sign-in</u> from your phone / tablet / devices and use that only for voting purposes. (remember to turn off your sound / microphone)

Functions for the zoom meeting:

Voting:

During the meeting, if you wish to participate and be a mover or seconder for a motion, please use

 (\dots)

the 'raised hand' function. Look for the 3 dots icon on the bottom of your screen.

🕹 Raise hand

'reaction' and choose the 'raise hand' icon.

Q&A Sessions:

For those who might wish to participate with the Q&A sessions, you will need to access the breakout room to ensure your video and sound quality before being on screen during the meeting. Please look out for instructions from the Moderator during the meeting and note the 'Breakout

rooms' icon. Breakout r

Breakout sessions:

Same icon as above, click and choose to join a room to enter based on theme and title and join the

room for discussion time.

Other notes:

• Varying screen sizes may affect what icons you are able to see and if you cannot find

one, it will be under the More icon.

- If you are hearing an echo, you should ensure that you have not joined the Zoom from multiple tabs on your device. You can also easily mute/unmute yourself or turn on/off your video by clicking the microphone and video cons respectively.
- If you will be speaking and your microphone/camera isn't working, you need to check your browser's permissions to make sure you've allowed DOTS Connect to access your microphone and camera (most browsers will have a popup to ask users to give permission when they join).
- For full screen function ∠[¬]- you will typically find it on the top right corner of the zoom screen itself but when it is time to vote you will need to exit out of full screen to see the voting functions.
- If you are having any trouble getting into the site or registering, please call DOTS directly at 1-833-368-7123.
