ÉCOLE DE THÉOLOGIE ÉVANGÉLIQUE DU QUÉBEC

● 2024-2025 REPORT

BY REV. JEAN-CHRISTOPHE BIESELAAR, PH.D

Gratitude to ALLIANCE CANADA and Its Districts for Your Partnership

We are deeply grateful to ALLIANCE CANADA and its districts for your ongoing support of the École de Théologie Évangélique du Québec (ETEQ) and its mission. Your partnership continues to make a meaningful impact in the training and equipping of Francophone leaders for ministry in Québec and across the French-speaking world. Thanks to your faithful engagement—both prayerful and financial—ETEQ is able to provide theological education at the undergraduate, graduate, and postgraduate levels, rooted in Scripture, shaped by community, and guided by the Spirit. This collaboration strengthens the Church's witness in Québec—the mission field of Canada—a region where gospel-centered leadership is deeply needed. Your commitment to theological training is a vital encouragement to our faculty, staff, and students. Together, we are investing in the next generation of pastors, church planters, and ministry leaders who will serve in the Quebec diverse and often challenging context.

We thank God for your partnership in this Kingdom work and look forward to continuing this journey together.

A major challenge in 2025: declining donations

One concerning issue remains this year: the insufficient level of donations from churches and individuals. At this point in the fiscal year (March 2025), we should have received approximately 75% of the expected contributions – that is, \$214,725 out of an annual goal of \$286,300. However, to date we have collected only \$150,490, which represents 53% of the target. Several factors explain this delay: the Canada Post strike has significantly disrupted mail delivery, some of our faithful donors are currently facing major health challenges, and others have gone to be with the Lord. This situation is worrisome, as tuition revenue will no longer increase between now and the end of our financial year, and the contributions from our church families will remain stable, as budgeted. This leaves us with only one lever to close the gap: the generosity of our individual and church donors. **Your support is vital to ETEQ's mission, and we sincerely thank you for being part of this wonderful journey.**
